STATEMENT OF PRINCIPLES

CKUT-FM is a non-profit, member owned and operated corporation, whose primary purpose is to operate a licensed FM radio station. The mandate of CKUT-FM, as an English language campus/community radio station, is to provide alternative programming to the island of Montreal and its surrounding communities.

CKUT-FM is a volunteer organization which recognizes the essential contribution of its volunteers. CKUT-FM will support and service those volunteers.

CKUT-FM will not broadcast any material that tends or is likely to subject an individual or a group or class of individuals to hatred or contempt on the basis of race, national or ethnic origin, Colour, religion, sex, age , mental or physical disability, or sexual orientation. CKUT-FM will only air such material within the context of a larger issue, and only when its use is necessary to the listening public's understanding of that issue.

CKUT-FM is not a vehicle for promoting political or religious ideologies. Therefore CKUT-FM will not grant airtime to those groups it deems as established and existing solely for the purpose of promoting such ideologies. This principle applies notwithstanding the provision of airtime to political parties during elections as stipulated in the C.R.T.C. Rules and Regulations.

CKUT-FM will not air advertising from any individual or organization whom it believes promotes discrimination against an individual or a group or class of individuals on the basis of race, national or ethnic origin, colour, religion, sex, age, mental or physical disability, or sexual orientation.

CKUT-FM will present programming of a nature and in a format not normally presented by commercial radio broadcasters or the CBC. CKUT-FM will further promote programming emphasizing local and regional content.

CKUT-FM will air material in a comprehensive, articulate context, while acknowledging viewpoints complentary to those heard elsewhere.

CKUT-FM pledges to allow all members of Montreal student communities and the community at large equal access to the station and equal opportunity to participate in its programming.

CKUT-FM is an amateur radio station. CKUT-FM welcomes the contributions of media professionals as resources to the station and encourages them to explore facets of radio broadcasting outside their areas of expertise.

CKUT-FM will provide training for all staff members to perform a function at the radio station. Futhermore, CKUT-FM shall endeavor to expose those staff members to all facets of CKUT-FM.

CKUT-FM reserves the right to refuse or revoke membership to any group or individual whose behavior is deemed to be discriminatory against an individual or a group or class of individuals on the basis of race, national or ethnic origin, colour, religion, sex, age, mental or physical disability, or sexual orientation.

...and tons 'o' volunteers. Thanks to all of them.

THIS IS THE MEDIUM.... WHAT'S THE MESSAGE?????

O.K. enough of the bitching and complaining about the evil manipulations and machinations of mainstream media!!!! It's time to put up or shut up. CKUT 90.3 FM has a mandate to provide campus/community radio to the Montreal community.. That goes beyond listing the protests and bake sales scheduled in any given week - it means being a link between communities and a window through which to observe and understand different communities. That's why we are proud to present shows like *Friends* (for and about the black community), *The Homo Show*, and *The Haitian Show*. However communities aren't always as easily identifiable as these, sometimes they are bound together by common interest in a particular issue, which is why we bring you *Earth Tremors* (peace and environment), and *Belly of the Beast* (human rights); or sometimes the entire community can access information provided by one group such as *Face à Face* (presented by the Guy Metro listening and referral service) or *Legal Ease* (presented by McGill Legal Aid). CKUT can only act as the conduit of information for these shows. As a station run on volunteer power, we rely on **you** to bring your ideas forward for presentation. If you feel that your group does valuable work which others should know about, come and talk to us. If you feel that the interests you represent are often treated unfairly or ignored by other media, come and talk to us. Whatever you do, don't sit back and wait for somebody else to do it! You don't have to know anything about radio - we'll teach you all you need to know.

Remember it's your radio station!!
